YOU CALLED ME A FAGGOT WHEN I ASKED WHY I SHOULD SHOW UP. You called me a retard when I asked questions about what to expect. You called me a bitch and a coward and a pussy when I asked any question. NOW YOU WANT TO SHUT ME UP AND TELL ME TO BACK OFF - AFTER YOU SPENT WEEKS CALLING ME A FAGGOT PUSSY

0 Thanks man. These people think they can just fling verbal abuse and taunts around and they don't ever have to be accountable for what they make.

0 Yea. It really is. They think they can be real nasty over here and treat us like puppets and serfs all the time. This site needs to be about a larger MAGA movement, not whatever dumb shit Don Jr decides to do that hour.

0 Wow, check out this masculine man over here hunched over his fucking keyboard inciting and instigating everybody else. Go run to your Twitter account and count how many likes you got.

Will you even pay anyone's bail, you cheap little name-calling, self-righteous pansy?

▼ What the fuck is your nerd millennial bitch ass whining about? The fact that you need to know "what to expect" all the time tells me you are a joke of a man instead of just acting reveals you are a joke of a man.

▼ How about you get even more high on your Aspercreme fumes and you re-adjust your dentures and gtfo of here?

All you do here is bitch and whine all the time. No wonder your miserable kids hate you.

1

▼ If by bitch and whine you mean push back on the laughable cult behavior that some of you exhibit then yeah, sure, we will go with that millennial definition of criticism. My kids fucking love me, and I love them. We have a blast together, and they are not little inside pukes like so many here. We need to go on a different path, I hope people like will join me and not run away now that Trump is done. He did more than any one man could have done, but the issue is infinitely bigger than any man.

▼ Shut up faggot pussy. I never seen anyone get called anything for asking questions. Unless your "questions" were meant to demoralize people.
